

Thank you for choosing 7 Notes Natural Health!

Lewisburg, West Virginia is a charming small town nestled in the hills of the Greenbrier Valley of West Virginia. It is known for its rich history, vibrant arts scene, award winning dining, and its quaint and varied shopping. It is also home to a thriving health and wellness community of holistic practitioners, bodyworkers, and yoga and pilates studios.

Being located in the heart of Greenbrier County, we are extremely grateful to our local Destination Marketing Organization, [Experience Greenbrier Valley](http://ExperienceGreenbrierValley.com), for the amazing work they do to promote local businesses and make connections for those traveling to our area. Below is a listing of our recommended hotels and dining establishments. However, for an extensive listing of attractions, accommodations, restaurants, and more, please visit Experience Greenbrier Valley's website at greenbrierwv.com.
